

Action Sheet

MEETING DATE:

November 16, 2022

AGENDA ITEM:

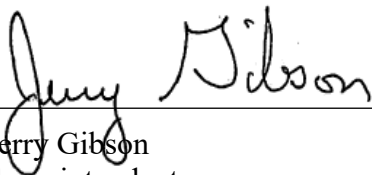

Discuss and consider the approval of expenditures, and purchase of equipment related to 3 grants from the Texas Workforce Commission in an amount not to exceed \$1,310,000.

GISD in partnership with CTC (Comprehensive Training Center) submitted 3 grant applications to the Texas Workforce Commission (TWC) in February of 2022. GISD was notified that each grant application entered had been approved at the end of October 2022. These grants are awarded to GISD to purchase equipment for our HVAC, Electrical Tech, and Robotics program. TWC will reimburse the district \$1,059,847.20 of the purchase upon receipt and installation of the equipment while the remaining \$117,760.80, or part, will be reimbursed after the final data submission is complete and has been reviewed by TWC.

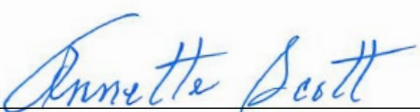

Along with the grant money awarded, GISD is financially responsible for matching 5% of the total awarded amount for each grant which totals approximately \$61,980. In addition, GISD is also required to pay the CTC consultant company 5% of the awarded amount for the HVAC and Electrical Tech grants and 10% of the awarded amount for the Robotics grant, which totals approximately \$68,724.05. The total match for the district is \$130,704.05; this will come from general funds.

RECOMMENDATION:

I move that the board approve the expenditures, and purchase of equipment related to 3 grants from the Texas Workforce Commission in an amount not to exceed \$1,310,000 as presented.

Jerry Gibson
Superintendent

Annette Scott
Assistant Superintendent
