

MUHS Leadership

2025/2026

Blood Drive: *Goal: 84 units of blood donated*

We collected 98 units reaching 117% of our goal!
We also had 30 first time donors!

During this drive we made changes to how off - campus donors entered our campus. They entered through the upper parking lots with security to ensure a safer and more streamlined experience for all involved. Thank you to the security team and Ms. Forbes for making this possible.

AASC Spirit Conference:

MUHS Stuco wasn't built in a day!

This year we had the privilege of bringing 12 students, who went through a rigorous application process to Coconino HS to represent MUHS Stuco at the state level. They got to listen to 2 guest speakers and work with councils from across the state to gain more ideas and skills on how to have the best year yet!

Senior Sunrise:

On 9/5, Senior students welcomed in their final year of high school on the MUHS football field with the help of tasty donations, fun activities like friendship bracelet making, painting and spending time friends .

Leadership in the stands:

Leadership students have been rallying up the student body at games, making banners and posters for players, helping lead chants and passing out Mingus Swag to those in attendance.

Upcoming Events:

Homecoming Game: Oct. 31st

Homecoming Dance: Nov. 1st

Homecoming Bash: TBD
