

## **Executive Director Board Report**

### **June 2023**

- Our 2022/2023 school year was full of celebrations. Our graduating Seniors enjoyed their graduation ceremonies. STEP students celebrated their annual picnic in the park. SUN and ALEX celebrated with a carnival on their final day. All participants enjoyed the celebrations!
- Staffing continues for our 2023-2024 school year. Current staffing projections for vacancies are 5 licensed teaching positions; 14 EA positions. Hiring and recruiting continue; capacity is dependent on staffing.
- The latest legislative updates included language regarding special education services offered to students until age 22. The previous legislation was to eligibility up to 21. This update will increase the number of students served in STEP in the upcoming school years.
- SUN/ALEX Extended School Year will be held July 17-21 and July 24-28; ESY is additional summer programming for students as determined by individual IEP teams.
- General upkeep and maintenance projects are being completed and scheduled as we prepare for the first school day on September 5th.
