**Subject: TEA Complaint #SRDR2025-11-10  
Corrective Action Plan Agreement – McKinney ISD**

Dear Mr. Pratt and Mr. Hassler:

The purpose of this letter is to notify you that the Texas Education Agency (TEA) is requesting your signed and dated agreement of the Corrective Action Plan attached to this letter. TEA conducted a compliance review based on McKinney ISD submitting student discipline data to the TEA that falls outside of what is expected for out-of-school suspensions involving students experiencing homelessness and concern(s) relating to the following statutory provisions:

- Potential violations of state and federal law and/or program requirements (e.g., McKinney-Vento Act) (Texas Education Code (TEC) § 39.003(a)(3)-(4));
- Placing a student who is homeless in out-of-school suspension (OSS) who has engaged in conduct other than that described by TEC § 37.005(c)(1)-(3) while on school property or while attending a school-sponsored or school-related activity on or off of school property (TEC § 37.005(d)); and
- Potential failure to submit accurate, useful, and timely PEIMS data to the agency (TEC § 48.008; 19 Texas Administrative Code § 61.1025).

After reviewing McKinney ISD's response and supporting documentation, it was determined that the local education agency (LEA) is not in compliance with all legal requirements relating to students experiencing homelessness. Furthermore, based on PEIMS data submitted by your LEA, we also identified in our review that your LEA may have also unallowably suspended student(s) below Grade 3 in violation of TEC § 37.005(c). A corrective action plan is intended to be an early intervention to bring swift compliance and avoid the necessity of a formal investigation and accompanying sanctions and interventions enumerated in Chapter 39A of the Texas Education Code. Your agreement to enter into this corrective action is presently voluntary. However, electing to not enter into this agreement may lead to further investigation under § 39.003 of the Texas Education Code.

**We are requesting that the following actions be completed by McKinney ISD.** Upon board approval of the corrective action plan, the board president and superintendent must sign and date the corrective action plan by the requested deadline. Then, the LEA must also return a signed copy of the corrective action plan to the investigator by that deadline. After execution of the corrective action plan, the LEA will be contacted by an Intervention Coordination and Implementation Specialist who will support the LEA throughout the process. During the implementation of the plan, the LEA must comply with all requests for documentation regarding the completion of the corrective actions.

Failure to successfully complete this corrective action plan, as determined by TEA or the discovery of additional violations of a similar nature, may result in additional corrective actions, or a referral to the Special Investigations Unit for further investigation under § 39.003 of the Texas Education Code.

We request your full cooperation and timely responses stated in the Corrective Action Plan Agreement. If you have any questions, please contact us at [DataComplaints@tea.texas.gov](mailto:DataComplaints@tea.texas.gov).

Sincerely,
