Re: Recognition of City of Eagle Pass Public Works

On behalf of the Eagle Pass Independent School District we would like to recognize the City Of Eagle Pass Public Works Department for an outstanding job performance in working hand in hand with E.P.I.S.D. The City Of Eagle Pass Public Works Department has taken the responsibilities of foreseeing many projects concerning the safety of our students. One of the more recent projects being the sidewalk/walkway from E.P.H.S. across the softball complex allows student to walk safely around the campus and onto the bus for either drop off or pickup loading zones.

Please see attachments.
