Board Meeting

Board of Trustees,

You have approved the following:

- January 5, 2026 Board of Trustees approved the selection and ranking of Architectural and Engineering Services for Bid Package #02
- January 20, 2026 Board of Trustees approved a not-to-exceed amount of \$11,103,976 for design services throughout the Bond Program and assigned Corgan Architects to Bid Package #02.

For your consideration and possible approval, you will find a compilation of previously approved items listed above resulting in Corgan's contract. It is recommended that the contract for Corgan Architect's for Bid Package #02 be approved, allowing staff to route for execution to begin design services in support of the 2025 Bond Program. The contract amount for Corgan Bid Package #02 has already been incorporated into the previously approved not-to-exceed figure by the Board on January 20, 2026.

Bid Package #02 included the following projects under the 2025 Bond Program: DeSoto High School, DeSoto High School Athletics, DeSoto High School Success Center, and DeSoto High School Stadium.

Thank you for your consideration.
