

December 2025 Director's Report

The first "Morning Brew with the BDA" is scheduled for Wednesday, January 21st from 8:30 – 10:30 am. This is another way for the community to connect with BDA staff in person to learn about us, access business resources, get updates on projects, share input and network. Notices will be sent to the public using Constant Contact and Facebook.

A group of approximately 10 local leaders will meet on December 4th to discuss possibilities for a celebration of the 250th anniversary of the United States. More details to follow.

The four CD's at Independent Bank matured on November 20th. They were renewed for another 28 days and will continue to auto-renew every 28 days until a change is made when the rates are favorable.

BDA staff and City of Clio staff are planning to partner to hold our second annual Small Business Workshop in the spring of 2026. Date and time TBD.

The BDA would like to recognize Freeman Gardening Services for an outstanding job maintaining the flower beds during the '25 summer season and Carla Strong for her hard work keeping Bridge Park beautiful. Both ladies went above and beyond.

The Clio Area Chamber of Commerce will hold its monthly luncheon on Thursday, December 11th at the fire department. Please join them for a special Christmas program.

The pickleball nets have been removed for the winter. BDA staff will look into a portable restroom and seating early next year.

Finally... BDA staff would like to thank you for your continued support; it's a pleasure working with each of you! Happy Holidays
