#1

COMING SUMMER 2018

West Texas Excellence in Education Conference

Hosted by Region 18 ESC Summer of 2018

Professional Development

TEA®
Texas Education Agency

District of Innovation

ESC 18 will provide the following supports for ECISD's district of innovation plan.

- 20 hours of classroom management training for teachers hired through district teaching permits.
- Student Learning Overview to learn more about possible measures that your district can use for student growth as part of T-TESS. SLO, portfolios, value-added measures, and district pre and post tests

Professional Development

- ESC 18 Sessions at the ECISD Teacher University Conference
  - August 8 Secondary Schools
  - August 9 Elementary Schools
- Lone Star Governance Board Training
- TEKS Resource System Training (2 full days)
  - ELAR / Social Studies
  - Math / Science
- T-PESS Refresher
- Free registration for CSS Co-op workshops beginning September 1, 2017 through July 31, 2018 for the six CSS campuses.

Instructional Technology

ESC 18, in partnership with Bright Bytes, provide the following support for CSS Co-op districts:

- District surveys to assess preparedness for instructional technology integration
- Support with data analysis to understand technology needs
- Assist in the development of an effective technology implementation plan

BrightBytes
