

Site Council Agenda 5/16/16

Old Business

1. Collaborative Grant:

- a. Design Phase ODE Grant (Chalkboard Grant) Building Capacity 4 pieces to grant. We are in design phase year. Committee made of of District Admin, building admin, and teachers. GET ppt from Jamie. By June 2017 - what is our goal? Big piece of this grant is a two way communication - working together to overcome issues.
- b. Teachers will have two days at beginning of year with Marsha Moyer to better understand their evaluation process.

2. JCF - Josephine County Foundation

- a. Student Service in the Community - Issue that came to Mark's attention. Mobile food truck. Potentially match up with school hours. Meet up with families in need. Natural thought was to bring to schools. Try to get JCF students to work on this. No progress at this point as far as Mark knows. Jamie will assist with this and setting the process in motion. Also Cougar Closet. Kate has name of person who would like to connect and work together with students to get this project off the ground. Several JCF students have voiced interest. Mark mentions again that Abbey Jolley wants to work on a mural here at school.

3. Lunch Plates

- a. Ben Guyton have some clarity after talking to Food Service Mgr. Black styro is biodegradable. Plastic trays - not enough man-power to handle the extra work load.

4. Mobile Food Truck - linked with #2

New Business
