Community Education Update  
February 10, 2025 School Board Meeting

Greetings from Community Education,

**Preschool, ECFE, and Kindergarten Registration Night**

We hosted Preschool, ECFE, and Kindergarten registration night on Tuesday, February 4th. This year we added a scavenger hunt for families to complete, which was well received. Families were able to visit the media center, health office, cafeteria, music room, and gym. Thank you to all the staff who help make the night come together.

**Annually Community Ed Family Events**

- Father Daughter- Friday, February 14th, 5:30-7:00 pm
- Mother Son Game Night- Thursday, March 13th, 6:00-7:30 pm
- Grandparents are Great- Thursday, April 10th, 5:30-7:00 pm

**Foley Community Connect Expo**

On Saturday, March 22, 2025, we will be hosting the second annual Foley Community Connect Expo. This expo is to showcase how local organizations can strengthen our community by offering resources that increase individual and familial well-being.

**Information on the Foley Community Connect Expo:**

Date: Saturday, March 22, 2025  
Time: 9:00 AM-12:00 PM  
Physical Address: Foley Public Schools  
621 Penn Street  
Foley, MN 56329

The purpose of this expo is to help alleviate the stress many of our community members face on a daily basis. This expo will be raising awareness of and providing more direct community access to: mental health resources, insurance information, activities directed towards youth, information for senior citizens, housing information, county resources, health related services, etc. The hope for this event is to be able to offer something for every age group and show all of the great resources our community has to offer!

**Weekends**

The winter weekend season is here and our facilities are full on weekends with activities, tournaments and events! Thank you to all the custodians, associations, boosters, participants, parents, community members, and volunteers for working together providing great opportunities and memories for all!

**Summer Planning**

With summer right out the corner, we will begin planning summer programs. This year will look much different than previous years but I am confident we will utilize our facilities the best we can.

Thank you,  
Alyssa
