

SECTION 504/ADA
PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT

The Board of Education prohibits discrimination against any employee or applicant based upon his/her disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement or discharge of employees, employee compensation, job training, or other terms, conditions and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or “auxiliary aides or services,” learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability, unless the accommodation would impose an undue hardship on the operation of the District’s program and/or activities. A reasonable accommodation is not necessarily required for an individual who is merely regarded as having a disability.

Compliance Officer(s)

The Board designates the following individual(s) to serve as the District's 504 CO(s)/ADA Coordinator(s) (hereinafter referred to as the "COs").

[NOTE: School Districts may want to consider appointing both a male and a female CO in order to provide complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. Additionally, by appointing two (2) COs, there should always be a CO available to investigate a claim that pertains to the other CO.]

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities.

Complaint Procedures

If a person believes that s/he has been discriminated against on the basis of his/her disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation or misapplication of Section 504. In addition, employees will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights.

Internal complaints must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint, and offer possible solutions to the dispute. The complaint must be filed with COs within the time limits specified below. The COs are available to assist individuals in filing a complaint.

Internal Complaint Procedure

The following internal complaint procedure is available to employees for the prompt and equitable resolution of complaints alleging discrimination based upon disability. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights.

- A. An employee with a complaint based on alleged discrimination on the basis of disability may first discuss the problem with the CO.**

- B. If the informal discussion does not resolve the matter, or if the employee skips Step A, the individual may file a formal written complaint with the CO. The written complaint must contain the name and address of the individual or representative filing the complaint, be signed by the complainant or someone authorized to sign for the complainant, describe the alleged discriminatory action in sufficient detail to inform the CO of the nature and date of the alleged violation, and propose a resolution. The complaint must be filed within thirty (30) calendar days of the circumstances or event giving rise to the complaint, unless the time for filing is extended by the CO for good cause.**

- C. The CO will conduct an independent investigation of the matter (which may or may not include a hearing). This complaint procedure contemplates informal, but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to present witnesses and other evidence relevant to the complaint. The CO will provide the complainant with a written disposition of the complaint within ten (10) work days. If no decision is rendered within ten (10) work days, or the decision is unsatisfactory in the opinion of the complainant, the employee may file, in writing, an appeal with the District Administrator. The CO shall maintain the District's files and records relating to the complaint.**

- D. The District Administrator will, within ten (10) work days of receiving the written appeal, conduct a hearing with all parties involved in an attempt to resolve the complaint.**

The District Administrator will render his/her decision within ten (10) work days of the hearing.

- E. The employee may be represented, at his/her own cost, at any of the above-described meetings/hearings.**
- F. The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.**

If it is determined that the complainant was subjected to unlawful discrimination, the CO must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, effective, and tailored to the specific situation.

OCR Complaint

At any time, if an employee believes that s/he has been subjected to discrimination based upon his/her disability in violation of Section 504 or the ADA, the individual may file a complaint with the U.S. Department of Education's Office for Civil Rights ("OCR"). The OCR can be reached at:

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination, or participates as a witness in an investigation, is prohibited. Specifically, the Board will not discriminate/retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by Section 504 or the ADA, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.
