MISD Board of Trustees: May 19th, 2026

Agenda Item – 9C

### **Background Information**

Jesse Garn will present a technology update to the board covering the topics of 1:1 device status, work order summaries, E-Rate updates, safety and security initiatives, technology items purchased with bond funds, and upcoming summer projects.

### **Fiscal implications**

Of the total \$65,061 cost for District Internet access and campus dark fiber, USAC (E-Rate) has approved on 5/2/2026 a 60% discount of \$38,857, leaving a total District contribution of \$26,204 for these services in the 2026-2027 school year.

### **Administration Recommendation**

Approve Category 1 E-Rate item in Consent Agenda for the District's Internet circuit and leased dark fibers for campus connectivity. These services are for the 2026-2027 school year and have been included in the budget request for Technology.
