

Voyd St. Pierre, Superintendent
Rocky Boy School District

Monthly Report for December 2019
Rocky Boy Head Start/Early Head Start
Duane Gopher, Director

The following are highlights for the month of December 2019

- We had a TA Visit from the Office of Head Start on December 6 and 7, 2019. Roxanne Wells came and provided much needed Technical Assistance on the in and outs of running the Head Start Program. She also followed up by emailing massive amounts of information pertinent to the Head Start Operations in Rocky Boy.
- There was no Parent Policy Council meeting scheduled for the month of December 2019.
- Bill The Boy, the Clinics Health Inspector finally completed his Reports for the Main Head Start Building and the Bonneau Head Start. His findings indicate several issues that need to be corrected immediately.

-This concludes my monthly report for December 2019.

-Submitted on December 16, 2019
