CONSENT AGENDA

BACKGROUND INFORMATION: Each school district in Texas is required to conduct a class size enrollment survey for Kindergarten through Grade 4 no later than January 24, 2008. If the survey indicates that any class for Grades K-4 exceeds the allowable class size limit of 22:1, the district must submit the enclosed class size waiver request and the current approved compliance plan to the State Waiver Unit by February 22, 2008.

Currently, in grade 1 there are four (4) sections out of compliance with the 22:1 ratio. Please see the attached Request for Maximum Class Size Waiver and the Class Size Waiver Compliance Plan for more information on these grade levels. Kindergarten, grades 2, 3 and 4 all have ample openings, so no waiver is needed at this time.

The compliance plan must be approved by the board of trustees, before it is sent to TEA.
