## Principal's General Narrative:

The second six weeks period has ended! Our school year is starting to look as rewarding as last year. Great things are happening at BISD!! Matthew Schwandner made it to state again! Matthew competed at the State Cross Country meet and represented BISD very well. We are very excited for him!! His determination is a great example for other students! Matthew is also joining our band at another state competition. The Mighty Tiger Band will be showcased at the UIL State Marching Band Contest in San Antonio. The Band qualified for the state competition after their 3<sup>rd</sup> place in area competition in Odem, Texas. Congratulations to all students who try their hardest to make things happen for BISD. Brackett ISD is being represented at the state level very well. The Tigerette Varsity Volleyball team and our Tiger Varsity football team made it to the playoffs. Our kids continue to strive for excellence and our teachers are right behind them to support them! This is what makes BISD a great place!!

We continue with the vision that we are One District.....ONE Team! The best is yet to com!!!
