

- We have done face painting at the high school campus and at the football games.
- I oversee other fundraising activities as needed throughout the year to support our field trips and scholarship fund.
- I often spend my own time and use my vehicle to gather needed supplies, transport materials, and pick up completed projects from field trip activities, as well as regular duties of overseeing meetings before or after school and organizing events with outside resources.

Many students who aren't involved in anything else at the high school find the Art Club to be a fun & positive extra-curricular activity. It fills a need for camaraderie, leadership, and creative expression for many students who otherwise might not have these opportunities. Thank you for your time and consideration. I look forward to planning continued activities with the Art Club this year.

Sincerely,
