The negotiators from the Soda Springs School District #150 Board of Trustees and the SSEA have agreed to the following items. These items will be added to establish the 2017 – 2018 Negotiated Agreement for certified employees.

1. Continue to pass through state Career Ladder increases to employees.
2. Continue to pay the employee's "share" that held them above the state scale as we transitioned to the career ladder.
3. Pay \$724.65 a month towards the employee's insurance which covers the 2.4% medical premium increase and leaves the deductibles as they currently stand.
4. Give an additional personal leave day with no restrictions for those employees who have worked 18 years and longer for our school district.

This agreement was ratified by the Soda Springs Education Association and the Board of Trustees of the Soda Springs Jt. School District #150 for implementation as of the beginning of the 2017 – 2018 school year. The negotiation agreement in its entirety will be presented to both parties upon completion of legal review.
