November Board Report

Volleyball

The Ladycats' volleyball season has officially concluded. The team completed district play with an outstanding 16–0 record, earning the title of District Champions. The Ladycats advanced to the first round of the playoffs, where they faced a strong Lucas Lovejoy team. Although the season ended sooner than hoped, the players and coaching staff demonstrated exceptional dedication, sportsmanship, and teamwork throughout the year. Their accomplishments reflect the hard work and commitment of everyone involved in the program.

Overall as a program the Ladycats lost only a handful of matches throughout the entire season grades 7-12.

Football

The Bobcat football season has come to an end. Although the team finished with a 2–8 record, there were many positive developments throughout the season for this young group of athletes. The team showed significant improvement on the defensive side of the ball, demonstrating growth and resilience each week. Late in the season, a new quarterback was moved up from the JV team, providing valuable experience and leadership for the future. The lessons learned and experience gained this year will serve as a strong foundation for continued progress in the seasons ahead.

8th grade team had a really good season finishing with a winning record of 5-4 overall.

Basketball

Basketball season is set to begin immediately, with both the boys' and girls' teams preparing for a competitive year. **District play will begin before the Christmas break**, giving both programs an early opportunity to test their progress. The teams have been working hard during preseason practices and are eager to build on the momentum from last year. The **Ladycats**, under the leadership of **Coach Bruce Harris**, are aiming to qualify for the **playoffs for the first time under his direction**. Both teams are optimistic and ready for a successful season.
