

Hidden Valley High School Newsletter: Spring 2025

Dear Mustang Families,

As we enter the heart of spring, there is so much to celebrate at Hidden Valley High School! Our campus is buzzing with activity, and it's a wonderful time to come together as a community to support our students.

This season brings an exciting slate of events — from baseball and softball games to track meets and tennis matches. Our student-athletes have been working hard, and they would love to see you cheering them on! Let's fill the stands and sidelines and show our Mustang pride.

Spring also means we need to stay focused and finish the year strong. Attendance is crucial — being here *on time* and staying *through the end of the day* is one of the most important ways students can set themselves up for success. Every minute matters, and your commitment to being present every day makes a huge difference.

In addition, we encourage all students to keep up with their assignments and stay connected with their teachers. Don't wait until the last minute — if you need help, reach out! We are here to support you in crossing the finish line with confidence.

As the weather warms up, we also want to remind everyone about our "Dress for Success" guidelines. Dressing appropriately for school helps create a positive learning environment and shows respect for yourself and others. Please take a moment to review the expectations and make sure you're representing HVHS with Mustang pride.

Let's finish this year with the energy, spirit, and excellence that make Hidden Valley High School such a special place. Together, we can make these final weeks our best yet!

GO BE GREAT!

Sincerely,

Damian Crowson

Principal, Hidden Valley High School
