SUBJECT: Request to Purchase Circles Curriculum

The Special Education Department is requesting the purchase of Circles program for our secondary life skills classrooms. This will be replacing the current version with a more updated version (2018). The Circles program lays the foundation for people with disabilities to manage the amount of personal responsibility and social integration available to them. Units focus on social distance and relationships building. This would be a one-time cost of \$15,980 for 20 classrooms. Thank you for your support of our Special Education team.

ALL OF OUR PRIMARY PROGRAMS ARE NOW AVAILABLE FOR STREAMING!
