Subject: Secondary Family Life Classes

During the Study Session of February 4, 2019, I shared that we would be opening the bids on February 5, 2019 for kitchen appliances in our 'Secondary Family Life Classes'. Regrettably, no bids were submitted. Phil Francis, Harry Lau, and I will regroup and review how to proceed concerning the replacement of those items. At this juncture, there is nothing more to report to the BOE.
