Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Hidden Valley High School Future Business Leaders of America is requesting continued board support of our program and our trip to the National Fall Leadership Conference (NFLC) to Orlando, FL. The dates of the trip are Nov. 19-23. Traveling on the trip will be Dale Fisher, Chris Pendleton and Gabrielle Pendleton. Gabrielle Pendleton is the FBLA National Secretary and will be the leading student speaker at the conference. Her trip is supervised and paid for by National FBLA.

Provide history/background information on your proposal.

HVHS FBLA has had two or more national top ten performers over the past eight years. FBLA is the nation's largest student leadership organization, and give students the opportunity to learn from industry leaders and compete against the best students in the nation.

List the advantages of your proposal:

NO Cost to the District for any members attending the trip. The goal of this conference is for the FBLA advisors to gain insight in FBLA, meet with other states and their FBLA program. We will be attending workshops, listening to guest speakers, keynote speakers, and gathering new FBLA knowledge and teaching skills. These networking and professional workshops will assist us with keeping abreast of industry standards so that we may provide more up to date and relevant curriculum to our students.

Mr. Fisher and Mr. Pendleton sub costs will be paid via Perkins.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?
