Commented [AKL2]: Optional; alcohol is not addressed in either the federal or State Drug-Free Workplace Acts. Contact the board attorney for advice concerning this provision and whenever the district wants to discipline or dismiss an employee using it. If a hearing is required before the district may discipline or discharge an employee under this provision, the district must put forth evidence that the employee violated it. A district would also have this burden if a grievance is filed under a *just cause* provision in a collective bargaining agreement.
