Re: Superintendent's Board Report

Elementary Camera Update

- The inside camera project has been completed at the elementary. The quality is outstanding. There is tremendous coverage inside the building which didn't exist before in the building.

Funding Formula Committee Focus Group

- I will be participating today in one of the funding formula focus groups that will be taking place around the state. The information gathered will be used to inform the work of the legislative funding formula committee.

AVID Training

- I will be participating with the some of the middle school AVID team members in AVID training next week in Denver.
