Re: Removal of Channels Owned by Versant from Digital Economy Tier

Dear Mr. Rizk:

As part of our ongoing commitment to keep you and our customers informed about changes to Xfinity TV services, we wanted to update you that Comcast's right to continue carrying channels owned by Versant on the legacy video tiers will expire on January 8, 2026. The impacted channels remain available through other Xfinity product tiers.

Impacted customers are being notified with the bill message below. We will continue to provide updates to you and our customers as they become available.

TV Update: Effective January 8, 2026, CNBC, E!, MSNBC (rebranding to MS Now on November 15, 2025), Oxygen, SYFY, and USA will no longer be included in your current TV package. These channels will still be available with Popular TV, the Sports & News genre pack (CNBC and MSNBC), and the Entertainment genre pack (E!, Oxygen, SYFY, and USA).

Additionally, pursuant to P.A. 480 of 2006, Section 9 (4), Comcast Cable's local operating entity hereby reports that Comcast does not deny access to services to any group of potential residential subscribers because of the race or income of the residents in the local area. A similar report will be filed with the Michigan Public Service Commission.

Sincerely,

Ben Miller
