AGENDA ITEM: Approval of Course Fee Ranges for Fire Science and Law Enforcement Classes at the Public Safety Training Center Effective Fall 2018

DISCUSSION: Ranges for per contact hour fees are being proposed for continuing education courses offered at the new Public Safety Training Center. The proposed fees were calculated based on cost and are consistent with training in the North Texas market. These suggested fee ranges provide ample room for future growth and were used to develop the Public Safety Training Center financial model.

DISTRICT PRESIDENT'S RECOMMENDATION: The District President recommends that the Board of Trustees approve course fee ranges for the Fire Science and Law Enforcement classes at the Public Safety Training Center effective Fall 2018.

SUGGESTED MOTION: "Mr. Chairman, I make a motion that the Board of Trustees of Collin County Community College District approves course fee ranges for the Fire Science and Law Enforcement classes at the Public Safety Training Center effective Fall 2018."
