

# Approve RFP for Electronic Lock System

## May 21, 2018

### Received RFPs

- \$148,574.94 - LDA Security
- \$200,409.72 - Access Integration, Inc.

### Request Approval

- I would recommend that LDA Security be awarded the bid for the Electronic Lock System. This will change all of the electronic locks on the outside doors of all of our buildings to be managed with one management system.
