Re: Bus Transportation for the Summer Food Service Program

I am requesting to use buses for transport of students to and from the Summer Food Service Program.

Boys and Girls Club – Haven Acres (1-2 buses-breakfast, 2 buses-lunch)

Police Athletic League – (1-bus – lunch)

City of Tupelo-Park and Recreation Department – Rockwell Center (1 bus-lunch)

The Boys and Girls Club – Haven Acres and the Police Athletic League have returned their contracts signed and with current insurance certificates. Tupelo Parks and Recreation Department have the contract and are in the process of getting contract signature and insurance certificate. In order for bus transportation to be provided, the contract and the insurance certificate will be required to be on-file prior to the beginning of the summer food service program on June 1, 2009.

The summer food service program reimburses the Transportation Department for all regular costs of bus drivers (salaries & benefits) and fuel costs for transport of the students to and from the summer breakfast and lunch programs.

I would greatly appreciate your placing this item on the Board agenda for the meeting on May 26th.
