

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 17-Apr-19 **Superintendent:** Dave Valenzuela

Administrator/Staff: Peter Lentz NVHS Science/Robotics Coach

Type of Item: *Informational* *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

This is a request to approve a generous grant from the Cow Creek Umpqua Indian Foundation given to the North Valley High School FIRST Robotics Team - 5198 Knight Tech. The grant amount is \$600.00 USD and will be used to help cover lodging and transportation costs for the Lake Oswego FIRST Robotics Competition Event.

Provide history/background information on your proposal:

The North Valley High School FIRST Robotics team needed additional funding to compete in the FIRST Robotics Lake Oswego Event. This event will occur from 3/28/2019 to 3/29/2019 in Lake Oswego, Oregon. When our team was at the Wilsonville Event over the second weekend of March, I had a conversation with Debbie Kerr of Oregon Robotics Tournament & Outreach Program about our shortfall in funds for the lake Oswego Event. She requested from me a good estimate of what amount of funds we were short; I gave her a dollar amount that we needed to compete and she was able to find our team this grant.

List the advantages of your proposal:

These funds will allow our team to compete at the Lake Oswego FIRST Robotics Event this year.

List possible disadvantages of your proposal:

If we did not receive these funds our team would not be able to compete in the Lake Oswego FIRST Robotics Competition.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

Currently there are not too many alternatives given the time frame of the event.

Superintendent's recommendation(s):

TRSD FORM BD-615
Revised 3/21/19

Approve: Yes No
