Background Information:

Texas public schools receive funding based on average daily attendance (ADA), and for full funding, students must receive 75,600 minutes of instruction during the instructional year.

The TEA Student Attendance Accounting Handbook (SAAH) states that if school was held but attendance was at least 10 percentage points below the overall average attendance rate for your district or the applicable campus for the prior year because of issues related to inclement weather, health, or safety, the district may request a Missed or Low Attendance Waiver from TEA so that those days can be excluded from ADA and FSP funding calculations for the applicable year (Section 3.8.1.5 of the SAAH).

We are requesting Missed School Day Waivers for Manor HS on 10/30, 10/31, 11/1, and 11/4 due to safety concerns after the tragedy at MSHS. We are requesting Low Attendance Day Waivers for Manor HS on 11/5, 11/6, 11/7, 11/8, 11/12, 11/13, and 11/15 due to community safety concerns after the tragedy at MSHS.

Fiscal Implications:

Without this waiver(s), Manor ISD will have decreased attendance funding due to no classes and/or an unusually low attendance on these days.

Administrative Recommendation:

Administration recommends that the Board approve the Resolution as presented.

Motion Language (fill in the blank):

I move that the board approve the Resolution for Missed School Days and Low Attendance Waivers for the 2024-25 School Year, as submitted.
