Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

The HVHS Boys Basketball team has accepted an invitation to play in the Capital City Classic in Juneau, AK (December 27-30). We participated in this tournament back in 2005. We request Board approval to travel out of state for this tournament, please.

Provide history/background information on your proposal.

We participated (and won) this tournament in 2005. This tournament was a catalyst for our success back then, and we are hoping it will have a similar impact for us again. As an Alaskan native, I know the area well and have contacts in Juneau. It's a worthwhile endeavor.

List the advantages of your proposal:

Building of team culture, bond, and player/coach relationships. High quality pre-season competition.

List possible disadvantages of your proposal:

Financial cost (we are working on fundraising).

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

N/A - There is nothing quite like this opportunity. The less attractive alternative is to fill our preseason schedule the traditional method - try to find local games.

Superintendent's recommendation(s):
