FOLEY HIGH SCHOOL

"Developing the Full Potential of the Individual"

Joel Foss, Principal

Greetings from Foley High School,

First Trimester Conferences:

High School conferences were held Oct. 13th and 14th. The turnout was slightly higher than last year for the same period. Hopefully this was a good chance for families to talk with teachers and learn more about how classes are going for their child. Reminder, first Trimester at the high school will end on Nov. 26th.

FHS LEEA/ESS Award winners:

The LEEA award winners from the high school are Michle Gross and Kristi Brenny respectively. Michele Gross teaches High School English, including our college credit English classes, she is also the co-advisor for our MHS and Co-leader for our NY/DC trip. All of these things give our students wonderful experiences they might not otherwise get.

Kristi is the secretary in our guidance office, she does a multitude of things that help our students and our office staff. From helping with HS registration, college application, coordinating the high school scholarships. She is always willing to help students with whatever they need.

College Registrations:

As many colleges have been doing for a number of years, October was "Free College Application Month". (some colleges are free all the time) Many of our students took advantage of this with help from our counseling office and applied to a variety of schools. Many students apply to more than one college during this time to keep their options open at no cost. As of Nov. 1, 72 seniors have applied to colleges that we are aware of, meaning we have sent transcript information.

MHS Halloween food Drive

Again this year our MHS group held a food drive on halloween night they delivered 2300 pounds of food to the Cross Center. This is an increase of nearly 500 pounds over last year. I would like to thank the entire community for their generosity.

It is a busy time of the year with many events and activities coming up at FHS. Below are some of them.

- Nov. 14: ASVAB testing for student interested
- Nov. 19 Intro to Guitar Recital @ 7 PM
