RE: Letter Of Resignation

To Browning Public School District Board

I, Sulee Blackman, am writing this letter of resignation to inform you that I will not be returning for the 2024-2025 school year. I talked with my building administrator/principal Mrs. Sheila Hall and explained my reasoning for not returning next year. My reason for not accepting the 2024-2025 school year contract is because of lack of housing.

I would like to take this time and thank you all for giving me the opportunity to work for your school district. It has been a pleasure and a positive work experience. It was a very difficult decision, but I had to do what's best for my family and myself. With that being said, I am going to finish out the 2023-2024 school year strong as an educator and continue to strive to impact the students I have been entrusted with here at Browning Elementary.

Thank you for taking the time to read my letter.

Sincerely,

Sulee Blackman
