

Consider Approval to Offer Magnetic Resonance Imaging Program  
(Associate of Applied Science Degree)

Staff is requesting Board approval to offer the Associate of Applied Science Degree in Magnetic Resonance Imaging (MRI) beginning the fall 2025 semester. Classes will be scheduled as a combination of face-to-face, hybrid, and online classes which will include lecture, lab, and clinicals. All face-to-face meetings will be held at the main campus. This program will prepare students for entry-level positions such as a MRI technologist.
