

Review and Discuss Proposal for Contractor for
Electrical Upgrades to Library and Two Classrooms (Title V)

A request for proposals to upgrade the electrical in the library and two classrooms (FA-207 and R-250) was sent to two vendors and was advertised in the local newspaper. One response was received. After review of the proposal, staff recommends the contract be awarded to Crescent Electric, 1319 1st Street, La Marque, Texas. Factors in determining this recommendation are:

- Sole bid received
- Capability and capacity to perform the work including the financial resources to perform the work in the time projected
- Experience and past projects completed

The Board Facilities Committee will review and discuss the proposal submitted for an electrical contractor to upgrade the library and two classrooms (Title V). Following discussion, the Facilities Committee will determine a recommendation to the Board of Regents regarding this proposal.
