#### **NSBSD Policy Manual:**

Board Policy 0400, Comprehensive Plans/Strategic Planning: A comprehensive strategic planning process has been adopted which includes an extensive update of the plan every 5-years with annual revision, action planning, and execution management.

#### **Issue Summary:**

The Summer Board Of Education Retreat will be held July 8-10, 2020. Administration has begun the planning process by inviting the Association of Alaska School Boards to hold the follow-up workshop that was included with the Superintendent Search MOA to identify expectations, clarify responsibilities, and develop priorities between the Board and the Superintendent for a positive working relationship. This workshop will be held on one of the three days with the Board.

For Strategic Planning, the Board began the extensive update to the strategic plan with OnStrategy during the Winter Retreat on November 18-19, 2020 in Anchorage, AK. To finish the current work, administration has asked OnStrategy to facilitate this summer retreat to finalize the strategic plan and align the goals with the FY21 Budget.

A meeting with the facilitators is currently scheduled for Monday, June 22, 2020 to review the agenda and discuss the materials needed for the retreat.
