

October 2016 Report to the Marlin ISD Board of Trustees

Marlin High School

Marlin High Schools focus this month is English and Writing. We have received a “Write for Texas” grant and we will be using those resources for Writing workshops, supported by Region 12. We are also receiving Math support from Region 12 as well.

Reading 180 resources are currently being used as part of our English 1 Literacy program, and great strides are being made in that area.

CBA results for CBA #1 And CBA #2 are as follows:

	CBA #1		CBA #2
