

Board of Education

ACTION

TITLE: Designation of Superintendent to Approve Petition for Transfers

DATE: July 12, 2023

RESPONSIBLE ADMINISTRATOR: Terry Morawski, Ed.D.
Superintendent

BACKGROUND/CONSIDERATIONS:

Arkansas Act 731 of 2023 permits the Board to delegate to the Superintendent the authority to approve student transfer petitions submitted under Ark. Code Ann. § 6-18-316.

Approval of this resolution will allow the district to review and move expediently to approve student requests and enroll in school.

RECOMMENDATION:

The administration recommends that the Board move to accept this resolution as written.

If the board agrees, the motion would read: **Move to delegate Dr. Terry Morawski, Superintendent, authority to approve a petition for a transfer.**
