

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: May 18, 2021

AGENDA ITEM: Purchase of Cafeteria Furniture for Aledo High School

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- The current furniture in the Aledo High School cafeteria is nearing the end of its useful life. Most of these furniture items were purchased when the High School was originally opened in 2001.
- Administrative and campus staff have been working with Lone Star Furnishings to review possible options for replacement of this cafeteria furniture.
- Additionally, we have reviewed how the cafeteria area is currently utilized to ensure potential furniture solutions will accommodate this continued use.
- It is likely the final solution will include foldable tables with stools as well as a combination of movable booths and taller round tables with chairs.
- The attached page contains some of the selections that are being discussed.
- Furniture selections and quantities will be finalized prior to presentation of this item to you for consideration/action at the June 21, 2021 board meeting.

FISCAL INFORMATION:

Depending on final furniture selections and quantities, the anticipated cost is between \$110,000.00 and \$140,000.00 and will be paid from available budgeted funds in General Fund 199.
