Partnerships with Other Entities

The School Board is dedicated to providing educational opportunities for all students. It is recognized that these opportunities may result in joint ventures.

The Board will direct the Superintendent to perform the due diligence, as necessary, to explore any such opportunities. The Superintendent will report back to the Board the findings in a timely manner so that the Board may discuss the matter and provide direction for further study, or provide an approval to proceed.

The list of factors that shall be analyzed will include:

1. Fiscal Implications
2. Personnel Implications
3. Legal Implications
4. Facilities Implications
5. Instructional Implications
6. Operational Implications
7. Community Implications

The Superintendent may seek the input of staff, parents, members of the community, business partners, and others as deemed prudent in gathering information regarding a partnership.
