

SUBJECT:	Consideration and possible approval of revised ADA snapshot time for selected Early College High School students in grades 11 and 12.
BACKGROUND:	<p>Students in the junior and senior level cohort (11th and 12th grade students) of the Early College High School program will attend college classes on the San Jacinto College District (SJCD) campus. These students' classes are offered based on the SJCD class schedule requiring them to be away from their home campus at the designated 9:30 a.m. ADA snapshot time.</p> <p>The Student Attendance Accounting Handbook requires a local school board to adopt a policy for an alternate attendance-taking time for any student not assigned to a class at the district's official ADA snapshot time. In order to comply with state requirements for ADA funding, the ECHS program needs to set 8:25 a.m. as the designated ADA snapshot time for identified junior and senior level students that will not be present on their home campus at 9:30 a.m. for the 2025-2026 year. This alternate attendance-taking time may not be used for any student who is scheduled to be on campus during the regular attendance-taking time.</p>
FINANCIAL IMPLICATIONS:	None
RECOMMENDATION:	We recommend approval of the revised ADA snapshot time for selected Early College High School students in grades 11 and 12.
