

Cameron Elementary School
Principal's School Board Report
May 26, 2026

May 4-8 - Staff Appreciation Week - I would like to thank our staff for all of the excellent work they do with our students. Our staff is well respected, not only throughout our community, but throughout the area. We are very proud to have you on our team.

May 11-22 - We are having our grade level student transition meetings. During this meeting, we move students from their 2025-2026 grade level into classrooms for the 2026-2027 school year.

May 13 - Cameron middle school and elementary school staff met to discuss the 4th grade to 5th grade student transitioning to middle school. This is something we started a couple of years ago to try to improve the start of the school year for 5th grade students and teachers.

May 15 - Cameron Elementary Track and Field Day was held. I would like to thank Mr. Christianson for organizing such a fun event. Our whole staff plays a big role in this and I would like to thank everyone.

May 18 - Cameron Elementary fourth grade students went to the Cameron Middle School for a tour. During the tour they get to briefly experience the life of a middle schooler. This is another event that we try to provide to have a more smooth transition from the elementary school to the middle school.

May 21 - Cameron Elementary All Aboard 4K presented their Spring program to our friends and family. I would like to thank our 4K staff for all of your hard work.

AimsWeb District Assessment - 36% of Wisconsin students are below grade level - (WPR - 12/4/25)
