Amalia Garza

Brackett ISD

Dear Amalia Garza,

The TASB Risk Management Fund is pleased to provide the following proposal for renewing your coverage for the coming year. The proposal reflects the Fund's ongoing commitment to the risk sharing partnership among its more than 1,000 members.

The Fund is the oldest and largest governmental risk pool serving public schools and other educational entities in Texas. The Fund is governed by a 19-member board of school trustees, superintendents, and administrators from member districts. The board ensures the Fund remains financially strong and responsive to member needs.

Fund programs and coverages continue to support the risks shared by Fund members but also reflect the challenging environments that Fund members face today.

The coverage proposal on the following pages includes terms and contribution amounts for the programs in which your organization participates. A summary of coverage changes and updates to the Fund's Coverage Agreements is included in this proposal. Coverage Agreements can also be accessed on the Fund's website.

Please review all terms, provisions, and features of this renewal proposal. When ready, you may accept your renewal proposal by signing the Contribution & Coverage Summary (CCS) and returning it by email to me or to TASBRMF@tasbrmf.org. You may also complete the electronic acceptance using the link in the renewal email sent to the designated Program Contact.

Please note, if you take no action, coverage will automatically renew under the terms of this renewal proposal. If you wish to terminate coverage, the Fund must receive written notice of termination at least 30 days prior to your renewal date. If you are unsure of your plans to renew or have questions about this renewal proposal or any aspect of your Fund membership, please contact Adrian Pena or any member of TASB's Underwriting or Marketing teams at 800.482.7276.

Thank you for your membership in the TASB Risk Management Fund and your partnership with all Fund members. The Fund is proud to be your partner in managing risks and serving the students in your community.

Sincerely,
Adrian Pena

Notification of Coverage Changes and Clarifications Effective July 1, 2024

As a part of the annual coverage review, the TASB Risk Management Fund (Fund) implemented the following coverage changes and clarifications *for all renewals taking effect on or after July 1, 2024*. This document is a summary of changes and clarifications only; please carefully review the full text of all Fund Coverage Agreements and any applicable Contribution and Coverage Summary (CCS).

Automobile Liability & Physical Damage Coverage Agreement

- Under Part D, § 17.2 **Excess Coverage**, clarify that the Fund Member's auto coverage is primary, not pro rata, when a **Covered Person** is driving a Fund Member's vehicle.

School Liability Coverage Agreement

- Under Part B, § 5.8 **Joint Ventures**, clarify that Joint Ventures include support for an in-district or 1882 charter school; however, there is no coverage for the charter school operator itself or its board members or employees. Clarify that all **Covered Persons** are covered, not just the Fund Member.
- Under Part F, § 16.1 **PLL related acts**, clarify that acts related to the original Wrongful Act are subject to one **Claim's** limit of liability.
- Under Part F, § 17.5 **Maximum annual aggregate limit**, clarify that the maximum aggregate limit applies to purchased *and* automatic extended reporting periods.

Property Coverage Agreement

- Weather Perils and Named/Numbered Windstorm deductibles will be based on a percentage (as shown on the CCS) of the total value of a Loss-affected structure, including contents, as listed on the Statement of Values schedule provided to Fund Members with the coverage proposal, or an Occurrence minimum deductible (also shown on the CCS), whichever is higher. If the Weather Perils or Named/Numbered Windstorm deductible does not exceed the minimum Occurrence deductible, the Occurrence deductible will apply for all Loss, including Loss-affected Covered Property not listed on the Statement of Values.
- Expanded coverage for single-ply membrane roofing systems rated for Very Severe Hail by FM Global or UL Solution's equivalent rating to the full Weather Perils limit and deductible. The sublimit for single-ply roofing systems not rated for very severe hail remains in place.
- Under Part C, added § 6.6, indicating the Fund will limit payment for heating, ventilation, and air conditioning (HVAC) units based on actual cash value (ACV) only. Additionally, HVAC units **installed after March 1, 2025**, are excluded for the peril of hail unless commercial hail protection/coil guards are installed.
- Revise the Property Coverage Agreement, the Named/Numbered Windstorm Endorsement, and the CCS language to reflect how coverage and specified limits extend to the Fund Member's Covered Property for the Named/Numbered Windstorm peril based on the county's location (e.g., Tier I, Tier II, Harris, or all other Texas counties).

- Revise the Property Coverage Agreement and the Flood Endorsement to clarify that Flood coverage is excluded in designated flood zones unless coverage is otherwise extended under the Named/Numbered Windstorm Endorsement, and updated language to describe flooding uniformly throughout the Coverage Agreement.
- Under Part C, § 6.4 **Aesthetic Impairment**, eliminate the option to pay up to \$100,000 per **Occurrence** for appearance harm only to **Covered Property** while maintaining the coverage provision allowing reimbursement for 50% of the cost, up to \$1 million, to replace Aesthetically Impaired metal roofs.
- Limit coverage to the amount reported on the Statement of Values for Covered Property that has a recognized national or state historic designation. This limitation includes, but is not limited to, Covered Property listed on the National Register of Historic Places or Recorded Texas Historic Landmarks.
- Add a provision that specifically indicates prior loss is excluded.
- Add a provision that temporary repairs will be reimbursed to the Fund Member up to 10% of the Loss, including (if applicable) outside any sublimit. Additionally, under Part C, § 7.5, clarify that “Extra Expense” does not include temporary repairs after a **Loss**.
- Clarify that wildfire and accidental smoke damage, unrelated to agricultural or industrial origins, is covered and not considered **Pollution**.
- Under Part C, § 7.1 **Debris removal**, clarify that such removal is outside any sublimit.
- Under Part E, § 12.4 **Vendor Panel**, revise to remove the panel-related language and clarify that the Fund Member must use any Fund-preferred vendor when requested by the Fund.
- Under Part G, § 18, **New Construction**, move to Part F as a condition of coverage. This provision requires the Fund Member to report any new construction or renovation to the Fund before coverage extends.

Privacy & Information Security Coverage Agreement

- Under Part C, § 4.29 (A) **Fraudulent Instruction**, clarify and reinforce that the Fund Member must verify the authenticity *and* validate the payment request. Additionally, clarify that the validation may not rely on contact information in the communication or source of the inquiry regarding a change of banking or payment information.

Violent Act Coverage

- No changes.

Additional Sublimit for Weather Perils	Limit	Deductible

Property Coverage Provisions

Weather Perils: Weather Perils is an Occurrence of wind, hail, convective storm, or freeze. The Weather Perils Limit and Deductible shown on this CCS will apply to Loss (including ensuing Loss) by a Weather Peril. Weather Perils does not include Named/Numbered Windstorm.

Named/Numbered Windstorm: Named/Numbered Windstorm is an Occurrence of hurricane, typhoon, tropical cyclone, tropical storm, or tropical depression that is designated by name or number by the National Weather Bureau, National Hurricane Center, or any recognized meteorological authority, including any related wind-driven rain, flood, tidal water or wave, storm surge, wave wash, surface water, overflow of bodies of water, or spray from any of these conditions. The Named/Numbered Windstorm Limit and Deductible indicated on this CCS will apply to Loss (including ensuing Loss) by a Named/Numbered Windstorm.

Percent Deductible/Occurrence Minimum Deductible: When Covered Property sustains a Loss caused by a Weather Peril or Named/Numbered Windstorm, the Fund Member's deductible will be either a percent-based deductible or an Occurrence-based minimum deductible, depending on which is higher.

The percent deductible will be calculated based on the designated percent, as shown on the CCS, applied to the Total Covered Value of the Loss-affected structure (including contents) in the Statement of Values schedule, which is considered a part of this CCS. This designated percentage is reflected as the deductible dollar amount listed under the deductible column of the schedule for each Loss-affected structure. The Fund will only pay once the covered Loss amount for each Loss-affected structure exceeds the deductible amount listed on the schedule. This deductible amount remains the same even if the entire structure (or contents) did not sustain a Loss. In the case of an Occurrence causing Loss to more than one member structure, the member may incur multiple percent-based deductibles, which will be added up to determine the total percent deductible.

Regardless of the total percent deductible, the amount of Loss sustained, or the number of Loss-affected structures in an Occurrence, in no event will the member's total deductible obligation be less than the Occurrence-based minimum deductible listed on the CCS. To determine whether the total amount of the percent-based deductible(s) exceeds the Occurrence minimum deductible, only the actual Loss will apply toward the Occurrence minimum deductible. However, the Fund's payment obligations in excess of this Occurrence deductible are based on the Loss to each structure exceeding that structure's scheduled deductible dollar amount.

No coverage is available for Loss to Fund Member property excluded by the Property Coverage Agreement.

Location: Location is a single street address that is the site of the Covered Property. Locations may have multiple Covered Properties, including structures.

Flood Zone Exclusions: The Fund Member's Covered Property (as defined in the Coverage Agreement) is excluded from coverage under the Flood Endorsement of the Coverage Agreement if any portion of the Covered Property subject to loss is located in any Special Flood Hazard Areas (SFHA) beginning with 'A' or 'V' as identified on the most recently published pre-Loss FEMA Flood Insurance Rate Map (FIRM).

Other Limits: If more than one Per Occurrence Limit may be applicable, the Fund shall determine which limit will apply.

Statement of Values: The Statement of Values schedule will be provided to the Fund member before the beginning of the Participation Period and is considered incorporated into the Agreements between the Fund and the member. The Fund Member agrees to allow the Fund to conduct property appraisals of the Fund Member's property periodically and agrees to accept values provided by the Fund. The Fund reserves the right to adjust the Fund Member's Contribution for new Covered Property accepted within the first 180 days of the Participation Period.

Salvage: The Fund will have the right, at its discretion, to exercise rights of salvage to any damaged property paid for or replaced under the terms of this Agreement.

Single Ply Membrane: 'Single Ply Membrane' is a synthetic roofing material that includes EPDM, TPO, and PVC membranes. For Weather Perils, Single Ply Membrane roofs are subject to the Single Ply Membrane sublimit and deductible indicated on the CCS, except for roofs rated for Very Severe Hail by FM Global or UL Solution's equivalent rating, which are subject to the Weather Perils limit and deductible.

Fund Member Mitigation: As indicated in the Property Coverage Agreement, including Sections 9.29 and 12.5, the Fund Member must preserve Covered Property before and after Loss, or the Fund may exclude coverage.

Fund Member Notice: As indicated in the Property Coverage Agreement, including Section 13.1, time is of the essence for the Fund Member to give notice of a claim for all Loss. Coverage is only available if the Fund Member reports all Loss within 365 days of an Occurrence.

Limit Elimination: The Fund may reduce all Property limits to zero and cease all payments (promised or otherwise) to the member for any claim under this CCS if the Fund's applicable property reinsurance coverage exhausts during the Participation Period through any property claim payment to any Fund member.

Contribution & Coverage Summary General Provisions

Coverage: This CCS and the Fund's corresponding Coverage Agreements for this Participation Period outline the coverage terms and limits.

Claims Reporting: The Fund Member will provide to the Fund timely notice of all claims as required in the Interlocal Participation Agreement, the applicable Fund Coverage Agreement, and this CCS. The lack of timely notice may result in a loss of coverage.

Definitions: Any terms not defined in this CCS will use the definition for that term from the corresponding Fund Coverage Agreement.

Payment: The Fund Member agrees to pay contributions based on a plan developed by the Fund. All contributions are payable upon receipt of an invoice from the Fund. The Fund will determine the contribution for each program and how each contribution is applied.

Termination: In addition to any CCS-specific provisions, the Interlocal Participation Agreement outlines the termination-related provisions that govern this CCS. These provisions include that this CCS may be terminated by either party, with termination effective at the end of the Participation Period, by giving written notice to the other party no later than 30 days before the end of the Participation Period. If the Fund Member ceases to be an Active or Associate member of the Texas Association of School Boards, Inc., this CCS will terminate at the end of the Participation Period, and the Fund will not offer a renewal CCS. If neither party terminates this CCS, any renewal CCS offered by the Fund becomes effective based on the terms of the renewal CCS and will bind the Fund Member.

Concurrent Participation: All coverages through this CCS are only effective if the Fund Member concurrently participates in or has agreed in writing to participate in all the following Fund programs: Auto, Liability, Property, and Workers' Compensation. The Fund may terminate all coverages immediately if the Fund Member fails to or ceases to participate in any of these Fund programs concurrently. If this termination occurs, the total contribution under this CCS shall be considered fully earned, and the Fund Member agrees that no refund of any contribution is due. This paragraph's termination provisions take precedence over any conflicting termination provisions in the Interlocal Participation Agreement or this CCS.
