Subject: RE: Regarding grant award

Hi Callie,

Thanks for reaching out! I'm a bit behind in notifying grant recipients of their awards.

On behalf of Safe Fleet, I am pleased to inform you that your organization was selected as a 2019 UEB Grant winner and we are happy to present you with a \$1000 grant award!

To start the ball rolling, I'm wondering if you can provide the following information so we can prepare your cheque:

- contact person's name, email, and phone number
- the full name/recipient for the check
- the complete mailing address

We look forward to your response.

Best regards,
Lori Jetha
