

Make sure to attend a Fall Regional in your area.

We've thrown out the powerpoint and designed a program to engage you in conversations that will help guide our advocacy work and address your service needs.

On the agenda...

- Student achievement
- Oregon Education Investment Board (OEIB)
- Learn to advocate ... and network, too
- Meet your local OSBA candidates

Register through your local superintendent/president. Dinner will be served at all meetings. For more information, including locations and meeting times, check our [website](#).
