## Minnesota Department of Public Safety

### 1. **2025 School Bus Stop Arm Camera grant - District Transportation**

Amount: \$136,670.68

Purpose: Funding from the DPS Office of Traffic Safety enables ISD 622 Transportation to purchase and install school bus stop-signal arm camera systems on 36 district vehicles in addition to upgrading existing bus camera systems to handle the additional camera. This summer, working in collaboration with local police departments and the State Patrol we will launch a public outreach campaign to educate drivers about why they must stop for school buses and how the new cameras will capture violations.
