### **Title Update ~ May 15, 2023**

Our Multi-Cultural night was a success! We had approximately 220 people attend and everyone seemed happy and engaged. The food was great and families seemed to enjoy their time on campus. Next year we will provide bags for people to fill with their creations! Intervention groups are wrapping up this week on the 17th, and End-of-Year Benchmark testing has begun. We will have data available for teachers to review on their June 2nd work day. We have started discussing changes needed for next year, that include staffing, scheduling, beefing up interventions, better communication between teachers & intervention providers, and more. We are constantly reviewing our practice and trying to elevate the instruction we provide.

- Boys and Girls Club (Jenna Larkin): Kinder Launch, the six week kindergarten program for Boys and Girls Club has been approved for Evergreen, they will be using Miss Pitts room. List is filling quickly.

### **Professional Development**

- No new PDs for staff. In the 23/24 school year we will be looking at our Tier 2 interventions during small group and how to support core and needed prerequisite skills.

**Next meeting will occur in the fall of the 23/24 school year.**
