Re: Board Recognition of UIL Academic Teams

On Saturday, February 16, 2019, the students of Memorial Jr. High went to Lamar Middle School in Laredo and competed in the District UIL Academic competition. Our students woke up at 4 in the morning in order to leave by 5 in the morning. The students competed in Oral Reading, Number Sense, Mathematics, Calculator, Spelling, Science, Map Charts and graphs just to name a few.

We would like to congratulate our 8th grade and One Act Play for finishing second in district and our 7th graders for being district champs. Thank you to our coaches for working with our students and our parents for their continued support.
