Good Things at PHS:

Chloe Ashcraft won 1st place and \$200 at the district Voice of Democracy competition. Brandt Bowker won 2nd place and \$150.

The Music Boosters launched some very successful fundraisers in the fall semester. At the top of our wishlist was to raise enough money to purchase new tubas for the district. The generosity of our community has been astonishing! We purchased two tubas in the fall, and have ordered three more this week! These instruments should last a few decades, and will provide our students and program great opportunities! We are very thankful for all the support!

Mr. Dail has worked relentlessly to find PHS a German partner school to participate in the German-American Partnership Program. PHS has drawn interest from several schools in Germany whose students have an interest in agriculture. See attached info graphic.

PHS Happenings:
