Re: High School Principal Report June 2021

Greetings from HHS!

We made it through the 2020-2021 school year! Although it was an adventure I am very happy with the effort that was put forth by everyone involved. A huge THANK YOU to our entire village here in Homedale. Community, Parents, Teachers, School Board, and Administrative team alike. It was quite the year to say the least. However, we all did what we believed was in the best interests of our students and made the best of a very difficult time in our nation's history. We can't help but to be grateful for where we live and for the work that went into making this year the best possible. We want to wish the class of 2021 nothing but the best as they go on to tackle their future dreams and aspirations. We look forward to the coming 2021-2022 school year with great optimism and hope! Have a safe summer and enjoy time with friends and family! Please remember the Homedale Way as we strive to remain Respectful, Responsible, Safe, and Have a Positive Attitude in all we do!
